

Meet Us On the Web!

WWW.AZASRS.GOV

The Arizona State Retirement System is pleased to present new opportunities for members to participate in online webinars!

“Know Your Benefits” This webinar is especially beneficial to new members and those who want to learn more about the ASRS. You will learn about the many benefits of belonging to the ASRS, a history and overview of the retirement system, how benefits are calculated and how to maximize your future benefits. You will also learn about the Long Term Disability plan and the service purchase program.

“Planning For Retirement” This webinar provides essential information for members who are planning to retire within the next three (3) years. You will learn about your pension benefit, how it’s calculated, annuity options and more. There is also information about ASRS retiree health insurance and other benefits, member responsibilities and more.

Each live webinar is approximately an hour and led by one of our professional Senior Benefit Advisors.

New! The ASRS has a new series of webcasts online!

These brief on-demand webcasts provide information on the retiree insurance plans. Additional topics are now in production and will be available on the website soon!
